*Hello, I'm **Prince kushwaha**, I am a passionate **web developer** with a love for creating meaningful and user-friendly websites.*

## ABOUT ME

Hello, I'm Prince Kushwaha 🧑‍💻, and I'm on a journey to become a successful software engineer. 🚀

- 🎓 I'm currently pursuing my Bachelor's in Computer Science Engineering at KIET Group of Institutions. I'm passionate about learning and growing in the ever-evolving field of technology.
- 💻 I've honed my skills in HTML, CSS, JavaScript, Nodejs, Git&Github. My love for coding has driven me to explore and create, and I'm constantly looking for ways to expand my knowledge in programming.
- 🌟 My ultimate goal is to not only excel in my profession but also contribute to the world of technology. I believe in the power of innovation and its ability to shape the future. I am determined to make a meaningful impact through my work.
- 🔍 I'm a firm believer in continuous learning. The tech world is full of opportunities, and I'm eager to embrace them. I'm open to new challenges and collaborations, so feel free to connect with me if you share my enthusiasm for tech and innovation.
- 🌟 My hobby is to play chess online and listen musics. I like to do coding. I started my coding journey from class 9th and get intrest in it and i desided to make my carrier in this field.
